

# File Equalization Combinations

Revision*	Revision*
MSDE	MSDE
SQL 2000	SQL 2000
SQL 2005	SQL 2005
SQL 2008	SQL 2008

\*Revisions must be the same on different computers

Please note that SQL 2005 SP4 is compatible with I/NET versions 2.42 and above.

This chart is to determine compatibility with combinations of Filemaster/Equalized Client.
